

40 Hours for the Forty Acres Student Group Participation Application

40 Hours for the Forty Acres (40 for 40) is a brand new giving campaign designed to get students involved in supporting an important UT presidential and campus initiative – get students and alumni involved during this last year of the Campaign for Texas.

Our goal is to involve at least 400 student donors in this exciting event. The event will include a live student event on Gregory Plaza, social media blasts, emails, and more.

As an example, a student organization in the French Department might want to raise money for a particular scholarship or faculty member, or student veterans might want to raise money to support services for returning soldiers who are also students. So long as the goal is to support a department, program, or initiative of UT, your ideas have no limit.

We're excited that your student organization wants to use this opportunity to fundraise for your group or for UT Austin. Please fill out the following application and return to Julie Lucas via email (jlucas@austin.utexas.edu) by February 28, 2014. **Student applications received after 2/28/14 cannot be considered.** Please note that all fields are required unless otherwise noted.

You can also access the online application at this address: <http://bit.ly/1koinv7>

Organization name: _____

Today's date: _____ Student contact name: _____

Student contact email: _____

Student contact phone: _____

Organization Advisor's Name: _____

Organization Advisor's Phone: _____

Short blurb about your organization (150-200 words): _____

#40for40
