

KPMG Consulting Event (for Hong Kong office)

KPMG is a global network of member firms with over 155,000 people worldwide, including more than 9,000 people across 16 offices in China. We provide audit, tax and advisory services to many of the world's most successful companies.

KPMG's Consulting professionals assist clients through a range of services relating to **Risk Consulting** and **Management Consulting**. Openings for fresh graduates include:

- Financial Risk Management (FRM)
- Internal Audit, Risk and Compliance Services (IARCS)
- Actuarial Advisory (ACT)
- Business Performance Services (BPS)
- IT Advisory (ITA)

To help you understand more about KPMG's Consulting business, a Recruitment and Networking event will be held at the schedule below. During the event, our Consulting professionals will share with you the business direction and strategies as well as their own personal experiences.

Date: 13 August 2014 (Wed)
Time: 16:00 – 18:00
Address: 23rd Floor, Hysan Place, 500 Hennessy Road, Causeway Bay
Dress code: Business formal

We primarily target at Hong Kong students studying overseas, but if you are foreign students and willing to arrange your own traveling and accommodation cost to Hong Kong, we will welcome your registration. However, work visa application would be a challenge especially for fresh graduates who have limited work experience.

We welcome all disciplines but the below majors are the most preferred:

- Accounting
- Finance
- Economics
- Actuarial
- Risk Management
- Maths/Stats
- Computer Science, engineering or other IT related subjects

For registration, please complete the online booking (<https://www.research.net/s/KPMGConsultingEvent>) by 21 June 2014. Shortlisted candidates to join the event will be notified by email in early July.

Should you have any queries please contact us at our graduate recruitment hotline 852 2525 5845 or at email graduates.hk@kpmg.com

"As a Consultant in KPMG, I work with senior executives and decision makers to improve their business practices and drive their organizations towards their strategic goals. It gives me a great sense of accomplishment when my client adopts our recommendations and we are able to solve their problems.

Here in KPMG, I always work with a dynamic group of well-trained professionals."
