

FUTURE CPAS: IT'S TIME TO MEET THE FUTURE CPA EXAM.

WHAT: CPA Exam changes webcast and Q&A

WHEN: Wednesday, November 9th @ 2:00 p.m. EST

Prepare yourself for CPA Exam success. Join the “What to Expect from the Next Version CPA Exam” webcast and ask the CPAs who helped develop the exam questions about the new version of the exam, rolling out in April 2017.

Industry feedback shows CPAs are using more higher-level skills than ever. As a result, the AICPA is incorporating more critical thinking into the exam to ensure up-and-coming CPAs are better equipped to excel.
